

Kenner's Korner- I need your help! It is being reported that a large number of items are being stolen in the school. While some of these claims are legitimate, many are not. Between the Main Office and the two deans' offices we probably have a total of 50 or more cell phones that have been turned in by students who have found them in locations around the building. We probably have enough coats and clothing to start our own store. Keys to YOUR home are in the hundreds in our Lost and Found, as are prescription eye glasses. Books for which your child will incur a debt slip are also in abundance. Many of these books are valued at over \$100.00 for which you are going to be billed. Your son or daughter may be coming home or calling and not being truthful with you. I am assuming many students are telling you that items have been stolen because they want you to purchase an updated model or want something different or new to wear.

There are 3 locations students should check if they have lost an item: the Main Office, Ms. Zalon's office or Mr. Tennison's office. We generally discard clothing items during the holiday break. Please ask your children to go to all three locations if they are missing something, even if it occurred at the beginning of the school year. Nine out of ten times we probably have it!! Also, please remind your children they cannot put items in a physical education locker without a lock on it. If we take these precautions the number of items missing will be greatly reduced.

Thank you in advance for your cooperation. Have a safe and restful winter break! *Dr. Joyce Kenner*

Weekly Calendar 2012

January 9th - January 14th

Year 37, Week 17

There is no wrong way to learn.

Monday, January 9, 2012

Welcome back!

Regular Bell Schedule

Tuesday, January 10, 2012
